

District A CIP Meeting

District A Council Member Brenda Stardig will host a CIP (Capital Improvement Plan) meeting on Thursday, February 18, 2010. CIP meetings are an opportunity for citizens to ask questions and submit requests directly to City departments. CIP requests are for investments in new construction or significant renovations to better serve the community. 3-1-1 may be used for repairs or maintenance requests.

The CIP creates a realistic plan to address current and future expected infrastructure needs of Houston, subject to resource constraints.
